

HPV Cotesting Update

Effective August 1, 2019, St. Luke's Cytology Department will be removing "HPV Cotesting" selection from the PAP questionnaire. Instead, HPV Cotesting should be ordered at the time of PAP collection with the HPV Specimen Label affixed to the Thin Prep Container indicating the HPV order.

HPV IF ASCUS, HPV IF ASCUS or LGSIL, and NO HPV Testing will remain as selections to the questionnaire.

Please contact SLH Cytology Department at (218) 249-5315 with any questions.

Additional contacts: Sarah J. Lundeen, M.D, Director of Cytopathology at (218) 249-5208, Jennifer Viergutz, Laboratory Administrative Director at (218) 249-5724, or Romine R. Deming, CT (ASCP) Technical Specialist of Cytopathology at (218) 249-5315.
